

# SERVICE BULLETIN

SB2024-03  
May 31<sup>st</sup>, 2024

SUBJECT: Bending foot/leg

AFFECTED MODEL: Majestic

PURPOSE: Improvement of Majestic step following several reports regarding one weaker foot/leg.  
Increasing foot/leg rigidity, preventing it from bending.

Weaker foot/leg

New installation procedure

Ramp post inserted in foot/leg,  
maintained by a light cap on top and  
a suction cup underneath

MANUFACTURING START: June 2024
